TOMMY'S GONE AWAY

Tommy's gone to Frisco Bay
Around Cape Horn the other day

Tommy's gone to Singapore
Tommy's gone forevermore

Tommy's gone to Vallipo
He'll dance them Spanish girls you know

Tommy's gone to far Quebec
He's stowing timber on the deck

Tommy's gone to Montreal
In a packet ship with skysails tall

And Tommy's gone to Rio Grande
He's rolling on the yellow sand

Tommy's gone to Cardiff town
Where the girls all come on down

Tommy's gone to Tiger Bay
To give them flash girls all his pay

Tommy's gone to Glesca toon
He'll be back at next blue moon

Tommy's gone to Rutherglen
We won't be seeing him again

Tommy's gone to Govanhill
There's some that say he lives there still

Tommy's gone to the Barrowland
He's got the whole world in his hand

Tommy's gone to Ceilidhfest
He's singing with the very best
